

Bryan & Elaine Griffin Benefit Fundraiser

A benefit function is being held on Sunday, November 22, 2009 from 6pm-10pm at the Sportsman's Club, 127 Main Street in Carver, MA to raise money for Bryan & Elaine Griffin and family, Tyler 9, Evan 7, Aryan 6, and Alicia 5.

Both Bryan and Elaine have fought cancer in the past and are thankfully in remission. Unfortunately, Bryan has just been diagnosed with a very rare and aggressive form of muscle cancer that will require treatment and surgery.

Although they have managed to weather their medical battles while caring and providing for four small children; the family and friends of the Griffins want to provide them with additional support services and help because they are looking at another fight, if not their biggest fight against cancer.

We are asking family, friends, neighbors and local businesses to help with tax deductible donations, raffle prizes and food contributions to help this great family. This benefit has been assigned a tax identification number if needed.

Tickets for the Fundraiser cost \$20.00 each and all purchased tickets will automatically be put into a drawing for a door prize. There will also be numerous items being raffled off, a silent auction, food/refreshments, music and bartending services. Please write your name and phone number on the back of each ticket so we can notify you if your name is drawn but were unable to attend.

All donations will be used for the sole purpose and benefit of the Griffin family.

Checks can be sent to

Griffin Benefit Fundraiser
125 Cedar Street
East Bridgewater, MA 02333

We would sincerely appreciate any donation you are able to contribute and we THANK YOU in advance for your kindness.

For any questions feel free to contact one of the family members involved in this function.
