Dear Mr. Johnson,

Thank you for your letter regarding SD402, "An Act expanding the powers of the director of Fisheries and Wildlife." I am pleased to tell you I am cosponsoring this bill.

I agree that the Division of Fisheries and Wildlife should have the power to regulate Sunday bow hunting of deer, and act in the best interest of sportsmen in the Commonwealth. I am proud to have maintained an A+ rating with GOAL throughout all my years in the Legislature, and I remain committed to protecting the rights of all sportsmen and law abiding gun owners.

Thank you again for your letter and your advocacy. Please don't hesitate to contact my office if I can be of any further assistance.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Rodrigues".
